Sault Ste. Marie, ON (January 25, 2023) – West End Theatre Project is announcing the cast for MILLION DOLLAR QUARTET, the first show of the 2023 season. The cast includes **Tom Peer** as Elvis, **Leo Moore** as Jerry Lee Lewis, **Liam Pollock Seymour** as Carl Perkins and **Jeffrey Wright** as Johnny Cash. On December 4, 1956, four of the world's most revered Rock and Roll legends – Elvis Presley, Johnny Cash, Carl Perkins, and Jerry Lee Lewis – gathered at Sun Records in Memphis, Tennessee where it all began. The resulting impromptu jam session, spearheaded by Sun Record's owner, Sam Phillips, would bring about one of the greatest collaborations in musical history. That day, the group began recording what would be the famously dubbed "Million Dollar Quartet".

This one-act musical performance features 22 hit songs, including "Blue Suede Shoes", "Folsom Prison Blues", "Great Balls of Fire", and "Hound Dog". All music is played and accompanied solely by the cast.

Lucas Beaver will helm the production with Rony Dal Cin as Music Director. The Production Team includes Kristine Thomas, Betty Currie, Trudy DeGraw and Marc James Laporte. Valerie Pluss will produce for West End Theatre Project.
