**SYNOPSIS:** This family friendly show is told entirely through song with the help of the Narrator. The musical follows preferred son Joseph. After being sold into slavery by his brothers, he ingratiates himself with Egyptian noble Potiphar, but ends up in jail after refusing the amorous advances of Potiphar's wife. While imprisoned, Joseph discovers his ability to interpret dreams, and he soon finds himself in front of the mighty but troubled, Elvis-inspired, Pharaoh. Joseph's solution to Egypt's famine elevates him to Pharaoh's right-hand man and reunites him with his family.
